

back by Sunday if you can do so.
I hope you will come back
from Texas soon and not make a
very long stay. I guess you will
write to me when you get to
where your friends are will you
not just to let me know you are
still living and can think of me
at least once or twice a year.
For I always remember you and
never will forget the job of
my heart.

Oh you would not be satisfied if
I were to go with you and stay
all the while for you would get
tired, and want to come back
to Corks (of course)
and if you had that ring would
you think of the original possessor
of it or not.

If nothing happens and I still
improve I will be a present
